## EXPOZ'ART IS COMING TO ROLLESTON

Spring is a colourful time and what better way to bring it into your home than with an original artwork.

"With its depth of colour and beauty, art can really make a statement," says Michelle Green who with Katrina McGettigan is opening Expoz'Art.

Michelle and Katrina will exhibit and sell their own and other artists' work with the desire to expose art.

"We would like to hear from artists who would like the chance to show their work," says Katrina.

They will also be running children's and adult's art classes during school terms plus one-off art evenings for groups to get-together for a painting session, refreshments and supper, as a social event or fundraiser.

"We believe that everyone has a little bit of art in them. We want to give people the chance to explore their creative sides and produce a painting they can take home and hang on the wall," enthuses Michelle who says that jewellery and giftware will also be available.

To find out more about this pop-up gallery, call Michelle on 021 281 0019 or Katrina on 021 025 56317, or email [michellesartworks@gmail.com](mailto:michellesartworks@gmail.com) and view their art at: [www.michellegreen@artfind.co.nz](http://www.michellegreen@artfind.co.nz) and <http://www.katrinamcgettigan.co.nz>.
